

“Fun, biblical, and highly interactive.”

The EQUIP Middle School Retreat is for 6-8th grade students and their leaders. This multi-church retreat is designed to encourage, equip, and mobilize middle school students to share God’s love and truth with their family and friends.

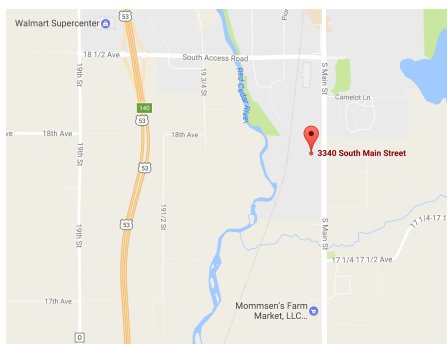

“When students realize the love of Jesus in them, they can’t help but share with their family and friends.”

This retreat will include interactive trainings, hands-on experiences, and small group times, that will help students develop a passion for ministry and the skills to follow through back home. Guys and girls will sleep in separate buildings.
